# Unlimited Earth Care Celebrates the Hamptons Firm's 30th Anniversary

Unlimited Earth Care, the esteemed garden and landscape design firm, joyously commemorated its 30th year of stunning and sustainable gardens it has cultivated throughout the picturesque Hamptons. Since 1993 with the visionary and award-winning designer Frederico Azevedo, Unlimited Earth Care has garnered acclaim for its masterful use of native and well-adapted flora, resulting in vibrant designs. This remarkable milestone was celebrated with a luxurious party, where UEC invited the community to join the music filled event that was brimming with cocktails and delectable hor d'oeuvres amidst perfectly designed breathtaking blossoms. The Garden Market in Bridgehampton served as the perfect venue for the UEC 30th anniversary event, allowing attendees to stop and smell the roses, as they say. Guests were delighted to honor the three decades of extraordinary creativity and dedication to sustainable landscaping.
