## CHAMPION AWARD FOR ALLIES OF THE COMMUNITY

**FREDERICO AZEVEDO**

**FOUNDER & CEO  
UNLIMITED EARTH CARE**

Frederico Azevedo is the Founder and CEO of Unlimited Earth Care. He says there have been many important moments in his business over the years. The publishing and success of his book, "Bloom: The Luminous Gardens of Frederico Azevedo," represented over two decades of his career.

Azevedo's secret to success is: "I'm very thankful and I work very hard. I'm at the office every day before 7AM."

Azevedo is inspired by the Brazilian designers Lota de Macedo Soares and Roberto Burle Marx. In addition, his mentor when he studied in England, the late Robin Williams, remains an important figure in his work.

**RICK FRIEDMAN**

**EXECUTIVE DIRECTOR  
HAMPTONS FINE ART FAIR**

Mr. Friedman is one of the most successful and popular event producers in the Hamptons over the past decade. He has championed the viewing, awareness and acquisition of fine art by creating the region's first fine art fair, ArtHamptons, nearly a decade ago (conceived by Cindy Lou Wakefield). Its rousing success – and rapid growth in exhibitors and attendance helped make art collecting "the new sport in the Hamptons." Attendance grew from 3,000 to 14,000 under his ownership, enabling him to take the concept to other affluent markets, by trailblazing the first fine art fair in each city.

**CAROL CALICCHIO**

**OWNER  
CAROL CALICCHIO ART**

Fairfield County native, Carol Calicchio's ascent into the art world can be traced back to her family of artists and early education.

Her mastery of abstract florals began several years after she earned a degree from the NYSID. A combination of painting and drawing studies at the School of Visual Arts helped Calicchio realize her true passion was best expressed in other's homes.

So she set off on her own course, finding an artistic realm of her own, through unique paintings that express rich energy palettes.

Calicchio, who now lives in Delray Beach, Florida, creates her colorful works in a spacious, inspiring studio on the banks of the intracoastal.

**JOAN DEIGNAN**

**ACTIVIST/PHILANTHROPIST**

Joan Deignan has dedicated her life to being an Advocate for those with physical and mental disabilities, beginning with her career as a special education teacher in Queens for 15 years.

She is a Champion of charities and raises much needed money through her philanthropic generosity and by serving on Boards.

Deignan was awarded the 2022 Honoree Manhasset Woman of the Year from the Manhasset Women's Coalition for Breast Cancer.

She is an active member of the Old Westbury Gardens Children in Bloom Committee that raises funds for the Environmental Education Children's programs at the Gardens, which provides programs for underserved School District Students.
