HAMPTONS' MOST STYLISH

Personal Style Philosophy: "If it's
comfortable and presentable,
you're golden. I like the mix of
slouchy loungewear with a hint
of luxe. Luxe-lounge?"

Favorite Brands: "Arjé, Carhartt,
Yeezy, Hermès, and Tom
Ford. That being said, I'm a
huge fan of Y, IWO, Stampd,
Nike, and a sleepwear brand
I recently worked with called
Lahgo. The list goes on!"

Best Fashion Advice: "Don't be
the sheep, be the shepherd."

Never Be Caught Wearing:

"A shirt on a beautiful sunny
day or the same outfit twice!"

Summer Uniform: "By day,
consists of swimming trunks,
T-shirt, a beach hat, and
Oakley sunglasses; by night,
the comfiest cotton sweatshirt
with some vintage military
trousers and Birkenstocks."

Fashion Inspiration: "My wife
[Jenné Lombardo] and I
play off each other quite a bit,
kind of unconsciously, too. I
think we see what the other
is putting together and then
go in that direction, which
normally means we end up
wearing the same thing. It's
a problem when you have his
and her of everything. We like
the same styles, and I also like
for her to think I look good in
what I'm wearing."
