**unlimited earth care anniversary**  
Award-winning landscape designer **Frederico Azevedo** celebrated 20 successful years at Unlimited Earth Care with family and friends on June 15. The celebration took place at his company's headquarters and concept store in Bridgehampton. Unlimited Earth Care is a prestigious landscaping business known throughout the East End for the simplicity of its designs that complement the surrounding nature. Guests, including **Blair Savitsky**, **Tony D'Alessio**, and **John Foss**, enjoyed snacks, beverages, and the beautiful day as they perused the company's landscaping and celebrated 20 years of achievement.
