WAVING THE FLAG!

With Lily Aldridge

Where are you spending July 4th?

I'm going to England this year, but I'll definitely be patriotic while I'm there!

Where do you usually spend the Fourth?

Growing up, we'd always go to Laguna and have barbecues on the beach. It was all about being outdoors with family.

Are you skilled on the grill?

No, but my husband [Kings of Leon frontman Caleb Followill] is. He deals with all that.

What symbolizes summer to you?

I love popsicles! I feel so happy and appreciative of life when it's warm and beautiful outside. Also, I love, love, love hot weather. Bring it on!

Any beach weather beauty musts?

I actually used self-tanner for the first time on a recent trip. I couldn't believe how beautiful it looked. It really was such a good brown!

SCENE Are you "Chic Of The Week" material? Find out on July 13 at Juicy Couture's East Hampton outpost, from 5 to 7 p.m. *The Daily Summer* will be hunting for the hottest Hamptonettes. Get Cheeki, chéris. Those clever skivvies, pre-packaged for jetset types, just landed at Blue 1 Boutique in Bridgehampton. Stop by Saturday afternoon for a rosé-soaked bash co-hosted by BluePrint juice and Beurre & Sel. Nanette Lepore is hitting the road with Styleliner! The chiced-out bus will be rolling through the East End from July 4th thru the 9th. Trish McEvoy just opened a shop in Southampton for all of your maquillage needs. In preppier news, Lilly Pulitzer's East Hampton location is toasting its fifth birthday on Saturday, July 6, with a nautical-themed shindig from 10 a.m. to 9 p.m. Plus! A crew of tween brand ambassadors, courtesy of East End Studios, will be decked out in Lilly patterns and handing out totes and *The Daily Summer* on July 5 and 6 from 11:30 a.m. to 3:30 p.m.

MORSEL UNE! Not only did *Beach* cover girl Gwyneth Paltrow not sit for a shoot for the mag's launch issue [the photos were taken from Ditte Isager's shoot for Gwyneth's cookbook, *It's All Good*], but a very, very similar version of the story ran in *Self* nearly three months beforehand!

MORSEL DEUX! Get Lucky? The mag's EIC, Brandon Holley, asked Condé's artistic director Anna Wintour for help, and she sure got it. Eva Chen is now helming the shopping mag, and Brandon's left 4 Times Square without a peep. What's next, love?

MORSEL TROIS! More Anna intel! During NYFW in February, we told you that the house next door to Anna Wintour's place in Mastic was up for sale. Fretful, perhaps, about the wrong kinds of neighbors, we hear Anna went and snapped it up herself! And she got it for a song: All 5.9 acres for just \$350,000 (\$249,000 off the asking price.) See? The *Daily* gets results!

Coif Chatter!

With Frederic Fekkai's
Alexandre Chouery

What was the concept for this cover shoot?

We wanted an undone bob with texture, volume, and a heavy bang. Both models have long, gorgeous hair. It was difficult to do bobs without cutting it!

Were you worried about the weather?

We were very lucky. It didn't start raining until after the last shot. I think the clouds made it more glamorous than a sunny day.

What did you think of Chris Burch's house?

Oh, mon dieu! I thought I was in Versailles.
