## WINNER

### Illusion Pool Cover, Pretty Pool Covers

Who wants to look at a drab pool cover during the non-summer months? Pretty Pool Covers has got the problem "covered" with its customizable designs of weatherproof polyester mesh.

## FINALIST

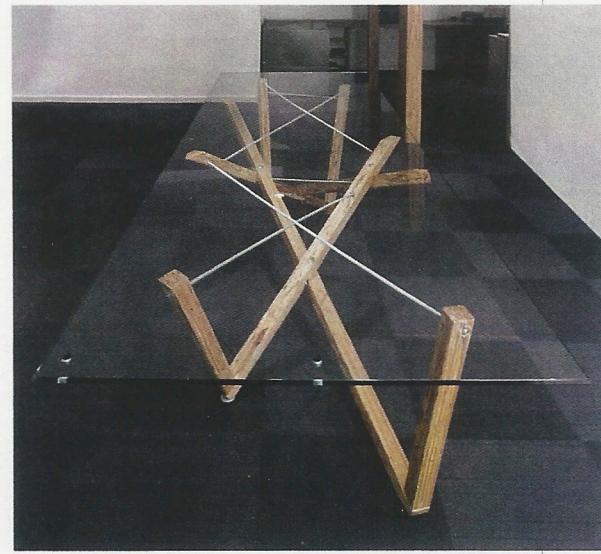

### Custom Cool Pillow Design Bar, Custom Cool Rugs

For those who want to specify every detail of their home, right down to the throw pillows, behold the Custom Cool Pillow Design Bar, a program devised to allow customers to choose their own fabrics, trims, and other embellishments.

## RUNNER-UP

### Axis Table, Martin Architects

Upcycling was the name of the game for Martin Architects' Axis Table, made entirely from excess material generated from company projects and intended for dining, work, or anything in between.

## FINALIST

### Cabana Cubo, Unlimited Earth Care

The Cabana Cubo offers stylish relaxation in the garden or poolside. Its prefab construction of weather-resistant mahogany and stainless steel is easy to assemble for any Hamptonsite who can't wait to kick back and relax.
